

# COVID-19

Dear customer,

In full compliance with the Ministerial regulations and the instructions provided by the Health Authorities we inform you that we are operative and confirm that ordinary production will continue as planned.

At the moment the shipping of the goods from the red zone where we are is not stopped, even if there could be some delays.

We are constantly checking the phenomenon and we are in contact with the relevant Authorities; in case of any change we will inform you immediately.

Your sales team is available for any further information.

Kind regards
